SCHOOL FEES 2022

The Family Fee & Curriculum expenses were increased in line with the directive of the Sandhurst Catholic Education Office. The elements of the 2022 School Fees are explained below:

Child Fees

Curriculum:

Covers all curriculum expenses including books, stationary and classroom supplies. Includes resources for specialist subjects including Languages, Science, Art, Drama, Music and Kitchen Garden.

Camps and Excursions:

Due to the class structure for 2022, we have modified our camp program so the Grade 4's join the Grade 5 Camp. This is reflected in the fee schedule.

This area covers the Grade 4/5 Camp, Grade 2/3 Camp and the Foundation/1 Camp Experience. All costs of excursions and sporting events throughout the year, including buses and admission are also covered in this section.

Technology:

The technology levy covers the leasing and updating of student technology resources.

Swimming:

Swimming fee covers Pool Hire and Swimming sessions in Term Four.

Family Fee

Fee per family that contributes to the total costs of operating the school and its educational programs.

We would like to remind families that these are the total costs for the 2022 school year and there are no other additional costs throughout the year for excursions, buses or events.

Payment of Fees

There are several options available for the payment of school fees including a lump sum, termly instalments or regular payments throughout the year. However, we strongly recommend the use of Direct Deposits into the school account to assist with the payment of school fees. Payments can be made on a regular basis, with payments going directly from your account to the school account. Please contact the Office to confirm the details for the Direct Deposit payment option.
