SCHOOL FEES 2024

The Family Fee & Curriculum expenses were increased in line with the directive of the Sandhurst Catholic Education Office. The elements of the 2024 School Fees are explained below:

Child Fees

Curriculum:

Covers all curriculum expenses including books, stationary and classroom supplies. Includes resources for specialist subjects including Languages, Science, Art, Drama, Music and Kitchen Garden.

Camps and Excursions:

All costs of excursions and sporting events throughout the year, including buses and admission are also covered in this section.

Technology:

The technology levy covers the leasing and updating of student technology resources to allow students to have access to 1:1 device.

Swimming:

Swimming fee covers pool hire and swimming sessions in Term Four.

Capital Fee:

This is a charge to support our Capital Buildings & Works program

Family Fee

A fee per family contributes to the total costs of operating the school and its educational programs.

We would like to remind families that these are the total costs for the 2024 school year and there are no other additional costs throughout the year for excursions, buses or events.

Payment of Fees

There are several options available for the payment of school fees including a lump sum, termly instalments or regular payments throughout the year. However, we strongly recommend the use of Direct Deposits into the school account to assist with the payment of school fees. Payments can be made on a regular basis, with payments going directly from your account to the school account. Please contact the Office to confirm the details for the Direct Deposit payment option.
