RE: Tallangatta, Uniting OSHC

We're so excited to share that Uniting will be joining your school community as the new Outside School Hours Care provider in 2026!

Our team can't wait to get to know your children and families, and to create a welcoming, fun, and safe space for children to learn, play, and grow before and after school. We're currently working through the necessary steps and approvals to ensure everything is in place for a smooth start to the year.

To help us understand your needs and plan our days of operation, we'd love for you to share your care requirements for 2026, by completing the short Expression of Interest form below:

[Tallangatta EOI - Click here](#)

Please note this isn't an enrolment form. It is a way for us to gauge the needs of the community, and be able to connect with you, once our formal enrolments open. Once our service approval is confirmed with the Department of Education Victoria, we'll be in touch with all families who've submitted the form to begin enrolments and confirm our official start date.

We truly appreciate your patience and support as we prepare to join your community. Our team is looking forward to working together with families, educators, and the school to build a program that reflects your children's interests and your community's values.

Kindest Regards

Barb Hall-Duggan - Director OSHC Uniting Vic Tas.
